

Opening a securities account at SEB Bank – private individuals

In order to buy Avaron fund units you need to open an intra-bank securities account.

- Log in to SEB internet bank (www.seb.ee)
- Choose from the menu -> **Investment** -> **Securities accounts**

- Choose from the menu „Open securities account”
- For buying Avaron fund units you need to open the „**Intra-bank securities account**”. If you have multiple current accounts, choose from the drop-down menu the current account you wish to link to the securities account.
